

STATE OF CALIFORNIA DEPARTMENT OF FORESTRY AND FIRE PROTECTION POSITION ESSENTIAL FUNCTIONS DUTIES STATEMENT PO-199 (06/16)		Working Title of Position Deputy State Fire Marshal III (Supervisor)	
		Division and/or Subdivision State Fire Training	
INSTRUCTIONS: The Director is required by Government Code Section 19818.12 to report (or to record) "...material changes in the duties of any position in his or her jurisdiction". The Position Essential Functions Duties Statement is used for this purpose. Enter identifying information and effective date at the right. Enter brief description of each of the important duties and responsibilities of the position below. Group related duties in numbered paragraphs and indicate the percentage of total time occupied. Indicate the "essential functions" of the position by placing an asterisk (*) in front of those individual duties you determine to be essential to the job. Discuss the duties with the employee assigned to the position. Both the employee and supervisor sign the document where indicated. The supervisor retains the original document and provides a copy to the employee.		Location of Headquarters Sacramento	
		Class Title of Position Deputy State Fire Marshal III (Supervisor)	
		Position Number 544-521-9010-001	
		Effective Date April 12, 2024	
Percentage of Time Required	Effective on the date indicated, the employee assigned to the position identified above performs the following duties and responsibilities.		
40%	Under general supervision of the Division Chief, State Fire Training (SFT), the Deputy State Fire Marshal III (Supervisor) duties include but are not limited to the following: *Supervise sworn peace officer staff and non-sworn staff in the development and delivery of fire service training and education programs for the California Fire Service, as well as the coordination of training and education programs developed and /or provided by other agencies, including the daily oversight and direction of duties and effective communication of established regulations and goals established in the division's strategic plan.		
20%	* Represent SFT at meetings and make presentations to fire service organizations and associations, Accredited Regional Training Programs (ARTP), Accredited Local Academy (ALA), local government, and public organizations. This will include local fire department training officers, county training officers, training officer associations, local community colleges, California Fire Chiefs Association and its sections, California Fire Technology Directors' Association, and other state working groups. *Ensure that courses and certification programs are meeting workplace needs, and answer questions regarding SFT Procedures. *Serve as liaison to the California training academy system including Accredited Regional Training Programs (ARTP), Accredited Local Academies (ALA), Rescue Sites, and other training facilities providing technical expertise and coordination pertaining to requirements of the site for different training courses. *Oversee the statewide site inspections at the various training facilities validating that the sites meet the equipment, prop, and safety criteria for live fire, rescue, and confined space training. *Review staff reports and recommendations for Statewide Training and Education Advisory Committee (STEAC) and State Board of Fire Service (SBFS).		
20%	* Oversee the development and revision of State Fire Training curriculum. *Coordinate the activities of course development cadres, in the development, evaluation, and updates of training programs. *Act as training expert to guide the cadres through the development and revision of course materials which may include Course Information and Required Materials (CIRM), Course Plans, Implementation Plans, Staff Reports, and other related documents. *These are the essential functions for this position. Essential functions are those functions that the individual who holds the position must be able to perform unaided or with the assistance of a reasonable accommodation.		
Equal Employment Opportunity (EEO) Statement: All CAL FIRE employees are expected to conduct themselves in a professional manner that demonstrates respect for all employees and others they come in contact with during work hours, during work related activities, and anytime they represent the department. Additionally, all CAL FIRE employees are responsible for promoting a safe and secure work environment free from discrimination, harassment, inappropriate conduct, or retaliation.			
Job qualifications and/or conditions of employment: <u>Statewide travel may be required up to 20% of the time and may include overnight stays. The incumbent is required to become a Registered State Fire Training Instructor within 1 year of appointment.</u>

Equal Employment Opportunity (EEO) Statement: All CAL FIRE employees are expected to conduct themselves in a professional manner that demonstrates respect for all employees and others they come in contact with during work hours, during work related activities, and anytime they represent the department. Additionally, all CAL FIRE employees are responsible for promoting a safe and secure work environment free from discrimination, harassment, inappropriate conduct, or retaliation.

Job qualifications and/or conditions of employment: The incumbent may be required to wear respiratory protection equipment, including a self-contained breathing apparatus (SCBA). The use of such equipment may place a physiological burden on the incumbent that varies with the type of equipment used, the job and workplace conditions in which the equipment is used, and the medical status of the incumbent. As such, California Occupational Safety and Health Administration (Cal/OSHA) requires that the incumbent be annually medically cleared to be fit-tested for respiratory protection equipment. This clearance process consists of a comprehensive medical evaluation including a review of the incumbent's medical history, a complete physical examination, and vision, hearing, spirometry, and exercise treadmill tests. Duties involve field work requiring physical performance calling for above-average ability, endurance, and superior condition, including occasional demand for extraordinarily strenuous activities in emergencies, under adverse environmental conditions, and over extended periods of time; requires running, walking, difficult climbing, jumping, twisting, bending and lifting over 25 pounds; and the pace of work is typically set by the emergency.
