5% (M) Miscellaneous

Perform other support duties, as needed, in the Repair Assistance and Vehicle Retirement Technical units with the Program Support division. Attend training sessions and meetings as required.

B. Supervision Received:

The incumbent works under the general supervision of the Supervising Program Technician III, however, direction or assignments may also come from the Staff Services Manager I as well as other supervisors and managers withing CAP.

C. Supervision Exercised:

None

D. Administrative Responsibility:

None

E. Personal Contacts:

The PT II has daily routine contact with BAR staff, all levels of departmental employees, government agencies, the public and members of the industry.

F. Actions and Consequences:

Failure to provide accurate information could affect CAP's productivity and employee morale and negatively affect the volume of consumers assisted. If the public were to provide unfavorable feedback about CAP to their legislators, the resulting consequences could be extremely negative to the department. Failure to exercise good judgment could adversely affect BAR's ability to improve air quality, which is the purpose of CAP.

G. Functional Requirements

The incumbent works 40 hours per week in an office setting with artificial light and temperature control. Work hours are Monday to Friday, 8 a.m. to 5 p.m. Daily access to and use of a personal computer, telephone, fax, copier, and other office equipment is required. Sitting and standing requirements are consistent with office work.
