POSITION DUTY STATEMENT

PM-0924 (REV 01/2022)

ensure strict adherence to all Federal and State rules, regulations, and laws as may be applicable within an assigned function. Broad knowledge of real estate, condemnation law and their application to acquisition of private property by public agencies, together with complete familiarity with Eminent Domain proceeding are required. Incumbent must be familiar with California real estate law, methods of financing, appraisals and negotiation policies and procedures. Must have full working knowledge of determination of property highest and best use, zoning and its effects on highest and best use, partial taking and damage analysis, contributory improvement value, curative damage payments, and income capitalization techniques.

Must have ability to read and understand plans, drawings and maps, and assess the affect of a proposed project on private properties, utility companies and businesses. Incumbent must have ability to communicate, both verbally and in writing to large or small groups, Department management, public entities and individuals. Incumbent must also have the ability to use computers, spreadsheets and graphics. Ability to work independently or as a member of a team; communicate effectively with the public in a manner reasonable to their comprehension.

RESPONSIBILITY FOR DECISIONS AND CONSEQUENCES OF ERROR

Typical activities involves considerable independent action. Incumbent is expected to use their own judgment in undertaking and accomplishing assigned responsibilities within prescribed guidelines as provided in the RW Policy Manual, procedural handbooks and related material. Errors in work could result in failure to meet project target dates, inappropriate or unnecessary expenditure of public funds, and personal injury or property damage and possible loss of Federal participation in projects.

PUBLIC AND INTERNAL CONTACTS

Extensive public contact representing the Department in dealing with property owners, tenants, the public and other agencies. Contact with various officials, staff and the general public through direct contact, public hearings and meetings, as required. Daily contact with project delivery team members, and occasionally confers with representatives for Headquarters, FHWA, other State Departments and other district personnel.

PHYSICAL, MENTAL, AND EMOTIONAL REQUIREMENTS

May be required to sit for extended periods of time using a key board and video display terminal to prepare reports and documents. Must be able to move large or cumbersome plans and diagrams from one location to another. Ability to perform some periods of field reviews. Must have the ability to conduct on-site reviews, (i.e. measuring structures and evaluating property). Ability to drive safely to remote locations in a single duration (up to 6 hours); ability to hear, see, and walk over uneven surfaces for right of way functional purposes including, but not limited to appraising and real estate negotiations; Ability to sustain mental activity needed for report writing, problem solving, analysis, and reasoning. Ability to focus on single tasks, as well as multi-tasks when necessary. Must be able to remain calm, patient, and professional when dealing with the public and internal customers on sensitive issues. Ability to respond to changing work priorities. Must be capable to determine his/her own work schedule.

WORK ENVIRONMENT

While at their base of operation, incumbent will work in a climate-controlled office under artificial lights. However, due to periodic problems with the heating and air conditioning, the building temperature may fluctuate. When in the field, fluctuating temperatures can be expected. May be subject to various terrain, noise, odors, and dusty atmosphere. Occasional travel may be required. Possession of a valid driver's license is required when operating a state owned or leased vehicle.

This position may be eligible for telework. The amount of telework is at the discretion of the Department and based on Caltrans's evolving telework policy. Caltrans supports telework, recognizing that in-person attendance may be required based on operational needs. Employees are expected to be able to report to their worksites with minimum notification if an urgent need arises. The selected candidate will be required to commute to the headquarterd location as needed to meet operational needs. Business travel may be required, and reimbursement considers an employee's designated headquarterd location, primary residence, and may be subject to CalHR regulations or applicable bargaining unit contract provisions. All commute expenses to the headquarterd location will be the responsibility of the selected candidate.
