MISSION OF SECTION: The mission of the Audit Unit is to safeguard California’s investments in air quality, climate change initiatives, and community well-being by ensuring the highest level of fiscal responsibility, accountability, and performance across all CARB grant programs. The vision of the Audit Unit is to become a leader in the transparent, ethical, and effective oversight of public funds allocated for environmental and climate initiatives and establish a governance model that others can aspire to.

Core Objectives
- **Accountability**: To hold both internal divisions and external grantees to the highest standards of financial and operational integrity, ensuring that all funds are utilized effectively and according to statutory requirements.
- **Performance Oversight**: To continuously assess and report on the efficacy and impact of grant programs, identifying areas for improvement and ensuring alignment with immediate and long-term objectives.
- **Regulatory Compliance**: To audit and monitor compliance with all relevant laws, regulations, and grant guidelines, taking prompt corrective action as necessary.

Key Responsibilities
- **Financial Audit**: To rigorously scrutinize the financial transactions, accounting practices, and reporting mechanisms employed by CARB and its grantees, ensuring full compliance with legal obligations and grant requirements.
- **Performance Audit**: To systematically evaluate the effectiveness and outcomes of CARB’s various incentive programs, ensuring they meet or exceed intended goals and achieve maximum impact for each dollar invested.
- **Reporting and Communication**: To communicate findings, recommendations, and best practices clearly and promptly to CARB leadership, governing bodies, and the public.
- **Ongoing Monitoring and Adaptation**: To perform regular follow-ups on implemented changes and emerging risks, ensuring a dynamic and responsive auditing framework.

Through these core objectives and key responsibilities, the Audit Unit aims to bolster CARB’s mission of promoting cleaner air and facilitating an equitable transition to zero emissions while fostering public confidence in the stewardship of significant public investments.

CONCEPT OF POSITION: Under the general direction of the Staff Management Auditor, the Staff Services Management Auditor (SSMA) assists with financial and performance audits of CARB grantees. The SSMA duties include but are not limited to assisting with planning the audit, evaluating
control structures, performing tests of transactions, developing sound conclusions, and developing written audit reports. The SSMA must know and understand Generally Accepted Government Auditing Standards (GAGAS). The SSMA must exercise excellent writing and interpersonal communication skills and be able to follow oral and written directions. Travel for this position is between 25-40% per year.
