REQUIRED COMPETENCIES

PHYSICAL

The incumbent must possess the necessary physical, mental and cognitive abilities to perform the highly specialized analytical work needed to carry out the essential duties of the position.

SAFETY

Actively supports a safe and hazard free workplace through practice of personal safety and vigilance in the identification of safety or security hazards, including infection control.

AGE SPECIFIC

The Neuropsychologist provides services for, and demonstrates knowledge of growth and development commensurate with the age group of patients hospital-wide.

CULTURAL AWARENESS

Demonstrates awareness to multicultural issues in the workplace, which enables the employee to work effectively.

CPR

Maintains current certification.

THERAPEUTIC STRATEGIC INTERVENTION (TSI)

Supports safe working environment; practices the strategies and intervention that promote a therapeutic milieu; applies and demonstrates knowledge of correct methods in the management of assaultive behavior. Training provided during new employee orientation

TECHNICAL PROFICIENCY (SITE SPECIFIC)

- Ability to select, administer, and interpret cognitive, malingering, and functional tests for the purposes of diagnosis, treatment planning, and forensic decision making with psychiatric inpatients.

TRAINING - Training Category = Type II General

The employee is required to keep current with the completion of all required training.

LICENSE OR CERTIFICATION

It is the employee's responsibility to maintain a license, credential, or required registration pertinent to their classification on a current basis. Any failure to do so may result in termination from Civil Service. Employees in this classification must:

Possess a valid license as a psychologist issued by the California Board of Psychology and possession of an earned doctorate degree in psychology from an educational institution meeting the criteria of section 2914 of the Medical Board of California's Business and Professions Code.

WORKING CONDITIONS

EMPLOYEE IS REQUIRED TO:

- Report to work on time and follow procedures for reporting absences;
- Maintain a professional appearance;
- Appropriately maintain cooperative, professional, and effective interactions with employees, patients/clients, and the public.
- Comply with hospital policies and procedures.
- The employee is required to work in a variety of settings throughout the hospital as determined by the operational needs of the hospital.

All employees are required to have an annual health review and repeat health reviews whenever necessary to ascertain that they are free from symptoms indicating the presence of infection and are able to safely perform their essential job functions.

Regular and consistent attendance is critical to the successful performance of this position due to the heavy workload and time-sensitive nature of the work.

The incumbent routinely works with and is exposed to sensitive and confidential issues and/or materials and is expected to maintain confidentiality at all times.

The Department of State Hospitals provides support services to facilities operated within the Department. A required function of this position is to consistently provide exceptional customer service to internal and external customers.

I have read and understand the duties listed above and I can perform these duties with or without reasonable accommodation. (If you believe reasonable accommodation is necessary, discuss your concerns with the Office of Human Rights).
