State of California Department of Fish and Wildlife	☑ PROPOSED
<b>DUTY STATEMENT</b> DFW 242A (REV. 07/18/22)	☐ CURRENT

## **Department Statement:**

California is one of the most biodiverse places on the planet. As such, the Department of Fish and Wildlife (CDFW) values diverse employees working together to protect nature for all Californians. CDFW is committed to fostering an inclusive work environment where all backgrounds, cultures, and personal experiences can thrive and connect others to our critical mission.

INSTRUCTIONS: A duty statement and organizational chart must be submitted with each Request for Personnel Action, Form 242	EFFECTIVE DATE

PERCENTAGE WITH THE HIGHEST PERCENTAGE FIRST. (USE THE REVERSE SIDE IF NECESSARY.)  ESSENTIAL FUNCTIONS:  Biological Data Collection – Incumbent will assist in the sampling of juvenile and adult salmonids from populations located throughout coastal basins Humboldt and Del Norte Counties of Northern California. Activities may include trapping, spawning ground surveys, surveys of angler effort and catch, snorkel surveys, seining, weir monitoring, sonar monitoring, and general ecological assessments of fisheries and aquatic habitats. Incumbent may assist other projects on an as-needed basis.  25%  Data Management and Processing – Incumbent will assist in data entry, data quality assurance checks, and the production of summaries of biologic and ecologic data.  Preparation and Maintenance of Equipment – Incumbent will assist in the inventory, organization, calibration, and maintenance of field equipment, inspect project vehicles and equipment regularly for safety hazards, report monthly mileage logs and maintenance needs. Incumbent will assist in the sourcing and procurement of needed field equipment.  Participation in Safety and Policy Training- Incumbent will attend safety training and assist in the update of field project safety protocols. Incumbent will maintain current training in all required CDFW procedures and policies.  NON-ESSENTIAL FUNCTIONS:  Incumbent will attend to administrative duties including completion of timesheets, Travel Expense Claims, and program administrative data entry.  Special Physical Characteristics: Physical strength and agility to hike off trail on uneven terrain; ability to swim 50 yards, be comfortable in or around water, and stay afloat at least five minutes. Ability to lift and carry 40 pounds.	OF TIME	PERCENTAGE OF TIME SPENT ON EACH. GROUP RELATED TASKS UNDER THE SAME

## **WORKING CONDITIONS:**

Work is constrained to 40 hours per week and limited to a maximum of 1500 paid hours or 189 paid days in 12 consecutive months. 75% of work occurs outdoors in and around rivers and creeks. The remainder of the work occurs in office settings utilizing a computer or in a warehouse setting preparing and organizing equipment. Field work occurs in cold water streams and rivers during potentially inclement weather. Field data collection can last 10 hours or more on a given day. Sampling gear preparation and maintenance will take place in a shop/warehouse environment. Office work will entail sitting and standing at a computer workstation for portions of each day. Ability to operate 4-wheel drive vehicle and possession of a valid Driver's License is required. Willingness to wear a prescribed uniform.
