MISSION OF ORGANIZATIONAL UNIT:

It is the mission of the Community Care Licensing Division to promote the health, safety, and quality of life of each person in community care through the administration of an effective, collaborative regulatory enforcement system.

CONCEPT OF POSITION:

Under the general direction of the Assistant Program Administrator (LPM III - South), the LPM II plans, organizes, and directs the activities of a regional office responsible for evaluating, licensing and enforcing community care regulations to Children's Residential facilities. The LPM II may develop policies and procedures designed to facilitate the effective operation of the Community Care Licensing Program. The LPM II may act as the Division representative with other agencies, recruit and hire new staff, meet with facility representatives, review and recommend appropriate administrative action against facilities violating statutes and regulations. The LPM II supports the regional office in maintaining the Community Care Licensing Division policies and procedures.

A. RESPONSIBILITIES OF POSITION:

30% Facility Issues: Meets with licensees or representatives on issues concerning regional implementation of regulations. Makes region-level decisions regarding proposed legal action in concert with legal staff. Approves and denies license applications, and notices of operations in violation of the law, and manages the region's waiver and exception process. Requests services of the Audits and Investigations Branch. Reviews and approves Statements of Facts and injunction actions.

15% Licensing Services: Ensures the delivery of licensing services to licensees, applicants, and the general public.

15% Supervision: Directly supervises one to six Licensing Program Managers (LPM I) and clerical supervisors. Ensures supervisorial coverage in the regional office at all times, and that the work produced by supervisorial staff meets quality and quantity standards.

10% Policy Development: Evaluates the appropriateness and effectiveness of licensing standards. Provides input to modify regulations or policy. Develops appropriate regional procedures to implement established licensing policy and to ensure uniform interpretation of regulations. Handles special assignments to evaluate, test or provide input on new proposals.

10% Personnel Development: Responsible for region-level recruitment, selection and hiring. Coordinates provision of training by the Department's Training Bureau or by outside sources. Provides advice and direction for actions and labor issues in the regional office. Ensures that the Department's affirmative action plan is met.

10% Monitoring: Implements a quality assurance program to ensure uniformity of licensing processes and standardization of policy. Responsible for monitoring the quality of products developed by region staff. Identifies data collection needs and utilizes data to maximize regional resources.

5% Public Contacts: Provides non-confidential information to media and legislative sources contacting the regional office. Discusses CCLD policies, procedures, and case-related information with specific organizations, placement agencies, and the public. Reviews and approves agenda for region meetings with local organizations or provider groups.

5% Equipment and Supplies: Approves all regional requests for supplies, equipment, and office space modification or relocation. Coordinates with appropriate Department units to ensure necessary supplies, equipment, and office space for maintaining the office. Provides for proper office security and protection of licensing records. Monitors operating expenses and travel costs to remain within budget constraints.

B. SUPERVISION RECEIVED:

The LPM II (Regional Manager) reports directly to the LPM III - South (Assistant Program Administrator). The Regional Manager will provide both written and verbal reports to the Assistant Program Administrator. The Assistant Program Administrator periodically visits offices to review regional issues. In addition, the Assistant Program Administrator holds regular meetings with all Regional Managers to review issues and establish policy.

C. ADMINISTRATIVE RESPONSIBILITY:

The LPM II (Regional Manager) is responsible for planning the management of a regional office. This includes the assignment of responsibility of each supervisor, the allocation of regional resources, the articulation of program goals and evaluation of program effectiveness.

D. PERSONAL CONTACTS:

The LPM II (Regional Manager) represents the regional office to community organizations, which may include media contacts, public officials, provider groups, etc.

E. ACTIONS AND CONSEQUENCES:

Failure to manage regional resources will result in poor quality of care in licensed facilities. Regions will fail to close hazardous facilities. Regions may be liable for inaction or inappropriate administrative action and the client population will be at risk of abuse, neglect, injury, or even death.

F. OTHER INFORMATION:

The LPM II (Regional Manager) should have some background in licensing program, sensitivity to administrative issues and the understanding of how to use licensing resources.
