Job Summary

This position supports the California Department of Public Health's (CDPH) mission and strategic plan by enhancing preparedness and response for emerging public health threats through serving as a Regional Disaster Public Health Representative (RDPHR).

The Senior Emergency Services Coordinator, California Governor's Office of Emergency Services (Sr. ESC) works under the general direction of the Response Section Chief in the Program and Response Branch of the Center for Preparedness and Response (CPR). The incumbent will work in conjunction with the existing Regional Disaster Medical Health Specialists subcontracted through the

Emergency Medical Services Authority to support regional preparedness, response, recovery, and mitigation activities. The Sr. ESC performs the most complex, difficult, and sensitive emergency management, emergency response, recovery, and planning work. The incumbent is independently responsible for significant, specialized emergency management projects; serves as a team lead and/or project coordinator on emergency management projects; formulates program and policy direction and alternatives; and develops methodologies for implementation.

To address urgent operational needs or conduct emergency-related response activities, incumbent may, on occasion, be required to work outside core business hours, travel, and transport up to 25 lbs. Up to 50% travel is required.

Special Requirements

- Conflict of Interest (COI)
- Background Check and/or Fingerprinting Clearance
- Medical Clearance
- Travel: 50%
- Bilingual: Pass a State written and/or verbal proficiency exam in
- License/Certification: Possession of a valid driver license of the appropriate class issued by the Department of Motor Vehicles. Applicants who do not possess the license will be admitted to the examination but must secure the license prior to employment.
- Other:

Essential Functions (including percentage of time)

- 35% Serves as a Regional Disaster Public Health Representative (RDPHR) with an emphasis on regional public health disaster response, recovery, planning, and mitigation. Represents the CDPH CPR by working in conjunction with the existing Regional Disaster Medical Health Specialists subcontracted through the Emergency Medical Services Authority. Incumbent will be assigned to represent CDPH CPR in one (1) of the six (6) mutual aid regions in California. Assists in the development of coordinated regional disaster medical and public health response systems including the development and maintenance of regional plans and procedures, regional training, and the facilitation of regional drills and exercises.
- 20% Establishes and maintains extensive knowledge of the Standardized Emergency Management System (SEMS), the National Incident Management System (NIMS), the California Public Health and Medical Emergency Operations Manual (EOM), the state emergency response structure as outlined in the CA State Emergency Plan (SEP), local, regional, state, and federal emergency preparedness and response plans, resources, and authorities. Maintains current working knowledge of state and assigned regional public health plans and policies relating to emergency preparedness and response. Acts as a technical program consultant for assigned regional response operations.
- 20% Works within assigned mutual aid region in conjunction with the existing RDMHS personnel to coordinate medical and health disaster situation reporting and resource management within the region and/or in support of other affected regions during a public health and medical emergency response.

20% Travels within assigned mutual aid region, as well as occasional travel to Sacramento to attend meetings and participate in workshops, trainings, exercises, planning meetings, and other regional events on behalf of CDPH CPR related to Regional Disaster Public Health issues. Attends Federal and State training programs, in-services, and continuing education courses to maintain program knowledge and skills.

Region	Counties
