For individuals with sensory disabilities, this document is available in alternate formats. For alternate format information, contact the Forms Management Unit at (279) 234-2284, TTY 711, or write to Records and Forms Management, 1120 N Street, MS-89, Sacramento, CA 95814.

POSITION DUTY STATEMENT

PM-0924 (REV 01/2022)

Ability to plan, organize and direct the work of others; analyze situations accurately and develop an effective course of action on very short notice; relate to and work with interdisciplinary groups and large segments of the public; make effective presentations and prepare written and oral reports. Ability to coordinate activities with other Headquarters and District Divisions and Offices, with City and County officials, and with the general public.

Ability to read and write English at a post high school level. Must be able to articulate program policies and goals to management, staff, and the public. Often will be required to advise management of program status, issues and needs. Must be able to communicate effectively and tactfully. Must possess sound techniques for handling sensitive issues.

The incumbent performs the full range of analysis in planning, coordinating and directing activities. The Maintenance Manager II must have the ability to utilize a variety of analytical techniques to address complex managerial problems and issues. The incumbent is responsible to ensure optimum operations and performance of the maintenance function including management of budget expenditures and personnel. The incumbent is responsible for a variety of line functions that relies significantly on analysis of many topics.

Class C Driver License is required.

RESPONSIBILITY FOR DECISIONS AND CONSEQUENCES OF ERROR

Errors in judgment, analysis, actions, conduct, directions and decisions could result in inefficient use of resources, employee injuries and death, injuries and death to members of the general public, loss of individual and departmental credibility, poor employee moral and affect the ability of Caltrans to deliver its work program on schedule.

PUBLIC AND INTERNAL CONTACTS

Public contact by this position is substantial and requires a special ability to communicate and maintain a positive departmental image. Must be articulate and knowledgeable about the program and possess negotiation skills. The incumbent represents the Department with Local, State and Federal agencies, Caltrans Districts and Divisions at all levels, and high level governmental officials and legislators. There is considerable contact with external agencies. The Maintenance Manager I interfaces with the public in various forms working with city and county governmental officials, regulatory agencies such as Fish and Game, Water Quality Control Boards, local and State Fire Departments, Army Corps of Engineers, etc., as well as members of the general public who call or write in with their concerns. Contacts will be made daily with the public, suppliers, contractors, Headquarters personnel, other District staff, field staff and maintenance management staff. Sensitive issues must be handled tactfully yet expeditiously. The public's image of the Department often balances on the conduct of this individual.

PHYSICAL, MENTAL, AND EMOTIONAL REQUIREMENTS

Incumbent will be required to use personal computers and telephones for long periods of time. Other physical activities will include accessing files, manuals and other resources at various Caltrans and external offices. Incumbent will be required to transport up to 50 pounds from low to high storage areas and other facility locations.

Incumbent will be required to sustain mental activity needed for report writing, problem solving, researching, analysis and reasoning, and participating in meetings.

Incumbent will be required to develop and maintain cooperative working relationships; respond appropriately to difficult situations; recognize emotionally charged issues or problems; and display empathy to others.

WORK ENVIRONMENT

At their base operation, incumbent will work in a climate-controlled office under artificial lighting and/or teleworking. Incumbent will be required to traverse office complexes, parking lots, equipment repair shops, highways, sidewalks roadside cut and fill slopes and drainage facilities. Incumbent will be required to travel and work outdoors and will be exposed to dirt, chemicals, noise, uneven surfaces, extreme heat, extreme wet conditions and extreme cold.

This position may be eligible for telework. The amount of telework is at the discretion of the Department and based on Caltrans's evolving telework policy. Caltrans supports telework, recognizing that in-person attendance may be required based on operational needs. Employees are expected to be able to report to their worksites with minimum notification if an urgent need arises. The selected candidate will be required to commute to the headquartered location as needed to meet operational needs. Business travel may be required and reimbursement considers an employee's designated headquartered location, primary residence, and may be subject to CalHR regulations or applicable bargaining unit contract provisions. All commute expenses to the headquartered location will be the responsibility of the selected candidate.
