

POSITION DUTY STATEMENT

PM-0924 (REV 01/2022)

CLASSIFICATION TITLE CT Electrician II	OFFICE/BRANCH/SECTION District 12 / Maintenance / Region Office	
WORKING TITLE Caltrans Electrician II	POSITION NUMBER 912-651-6924-073	REVISION DATE

As a valued member of the Caltrans leadership team, you make it possible for the Department to provide a safe and reliable transportation network that serves all people and respects the environment.

GENERAL STATEMENT:

Under the direction of a Caltrans Electrical Supervisor, the Caltrans Electrician II performs preventative maintenance (PM), troubleshoots and repairs (T&M), installs, reinstalls, rebuilds, and field inspections on all Highway Electrical Inventory. Responsibilities include the preventative maintenance, troubleshoot and repairs, install, reinstall, rebuild, and field inspections of the most complex electrical and electronically controlled devices on facilities and right of way. Will work independently and/or with others, and may also perform lead work over an electrical crew. The incumbent will be required to work overtime, work irregular shifts/alternate work schedules, including nights, holidays and weekends. May be required to work temporary and/or intermittent varied work shifts and required to respond to emergency situations and calls. May be loaned to other cost centers. This position is represented under collective bargaining.

This classification operates highway maintenance equipment and vehicles and requires a valid class C driver's license. A class A or B driver's license with endorsements and a current medical certificate is desirable. Computer and telemetry skills are also desirable. In District 12, we do not have any high voltage situations (above 600 volts), but at some point high voltage work may be required. Proper training shall be given before any high voltage work is required. Duties include, but are not limited to:

CORE COMPETENCIES:

As a CT Electrician II, the incumbent is expected to become proficient in the following competencies as described below in order to successfully perform the essential functions of the job, while adhering to and promoting the Department's Mission, Vision, Values, Strategic Imperatives and Goals. Effective development of the identified Core Competencies fosters the advancement of the following Leadership Competencies: Change Commitment, Risk Appetite, Self-Development/Growth, Conflict Management, Relationship Building, Organizational Awareness, Communication, Strategic Perspective, and Results Driven.

- **Flexibility and Managing Uncertainty** : Adjusts thinking and behavior in order to adapt to changes in the job and work environment. (Safety First, Strengthen Stewardship and Drive Efficiency - Engagement, Innovation)
- **Dealing with Ambiguity (Risk)**: Can comfortably handle risk and uncertainty, as well as make decisions to act without having the total picture. (Safety First - Engagement, Integrity)
- **Ethics and Integrity**: Demonstrated concern to be perceived as responsible, reliable, and trustworthy. Respects the confidentiality of information or concern shared by others. Honest and forthright. Conforms to accepted standards of conduct. (Cultivate Excellence, Strengthen Stewardship and Drive Efficiency - Equity, Integrity)
- **Problem-solving and Decision-making** : Identifies problems and uses logical analysis to find information, understand causes, and evaluate and select or recommend best possible courses of action. (Advance Equity and Livability in all Communities - Engagement)
- **Teamwork/Partnership**: Develops, maintains, and strengthens partnerships with others inside or outside of the organization through effective communication and collaboration. (Enhance and Connect the Multimodal Transportation Network, Advance Equity and Livability in all Communities - Engagement, Equity, Integrity)
- **Organizational Awareness**: Contributes to the organization by understanding and aligning actions with the organization's strategic plan, including the mission, vision, goals, core functions, and values. (Cultivate Excellence - Engagement, Integrity)
- **Interpersonal Effectiveness** : Effectively and appropriately interacts and communicates with others to build positive, constructive, professional relationships. Tailors communication style based on the audience. Provides and is receptive to feedback. (Safety First - Engagement, Equity)
- **Analytical Skills**: Approaches problems using a logical, systematic, and sequential approach. Weighs priorities and recognizes underlying issues. (Cultivate Excellence, Enhance and Connect the Multimodal Transportation Network - Engagement, Innovation)
- **Technical Expertise**: Depth of knowledge and skill in a technical area. (Cultivate Excellence, Enhance and Connect the Multimodal Transportation Network - Engagement, Innovation)
