CLASSIFICATION TITLE Transportation Surveyor Party Chief	OFFICE/BRANCH/SECTION North Region Office Surveys- Field Surveys	
WORKING TITLE Transportation Surveyor Party Chief	POSITION NUMBER 903-201-3030-XXX	EFFECTIVE DATE

As a valued member of the Caltrans team, you make it possible for the Department to provide a safe, sustainable, integrated, and efficient transportation system to enhance California's economy and livability. Caltrans is a performance-driven, transparent, and accountable organization that values its people, resources and partners, and meets new challenges through leadership, innovation and teamwork.

GENERAL STATEMENT:

Under the direction of a Senior Transportation Surveyor, the Transportation Surveyor Party Chief (TS-PC) is the first professional qualified supervisory level requiring a valid California Land Surveyors' License or equivalent. The TS-PC may be assigned the supervision of both professional and technical staff and shall be in direct and responsible charge of survey field crews and operations. Incumbent must possess and maintain a valid driver's license when operating State vehicles. The incumbent will be assigned work based on Divisional and/or Departmental needs.

CORE COMPETENCIES:

As a Transportation Surveyor Party Chief, the incumbent is expected to become proficient in the following competencies as described below in order to successfully perform the essential functions of the job, while adhering to and promoting the Department's Mission, Vision, Values, Strategic Imperatives and Goals. Effective development of the identified Core Competencies fosters the advancement of the following Leadership Competencies: Change Commitment, Risk Appetite, Self-Development/Growth, Conflict Management, Relationship Building, Organizational Awareness, Communication, Strategic Perspective, and Results Driven.

- **Managing Change:** Demonstrating support for organizational changes needed to improve the department's effectiveness; supporting, initiating, sponsoring and implementing change. (Safety First, Cultivate Excellence, Strengthen Stewardship and Drive Efficiency - Engagement, Innovation, Integrity)
- **Decision Making:** Makes critical and timely decisions. Takes charge. Supports appropriate risk. Makes challenging and appropriate decisions. (Safety First, Strengthen Stewardship and Drive Efficiency - Engagement, Integrity)
- **Ethics and Integrity:** Demonstrated concern to be perceived as responsible, reliable, and trustworthy. Respects the confidentiality of information or concern shared by others. Honest and forthright. Conforms to accepted standards of conduct. (Safety First, Cultivate Excellence - Engagement, Equity, Integrity)
- **Problem-solving and Decision-making :** Identifies problems and uses logical analysis to find information, understand causes, and evaluate and select or recommend best possible courses of action. (Cultivate Excellence, Strengthen Stewardship and Drive Efficiency - Innovation)
- **Teamwork and Collaboration:** Sets team structure. Organizes, leads, and facilitates team activities. Promotes team cooperation and encourages participation. Capable of cross functionality and working well with others on a team to achieve personal goals, team goals, and organizational goals. Takes responsibility for individual actions in order to achieve consistent results. (Cultivate Excellence - Engagement)
- **Organizational Awareness:** Contributes to the organization by understanding and aligning actions with the organization's strategic plan, including the mission, vision, goals, core functions, and values. (Safety First, Cultivate Excellence, Enhance and Connect the Multimodal Transportation Network - Engagement, Equity)
- **Communication:** Expresses oneself clearly in all forms of communication. Gives feedback and is receptive to feedback received. Knows that listening is essential. Keeps others in the Division and other functional units informed as appropriate. (Cultivate Excellence - Engagement, Integrity)
- **Analytical Skills:** Approaches problems using a logical, systematic, and sequential approach. Weighs priorities and recognizes underlying issues. (Cultivate Excellence - Integrity)
- **Technical Expertise:** Depth of knowledge and skill in a technical area. (Enhance and Connect the Multimodal Transportation Network, Strengthen Stewardship and Drive Efficiency - Innovation)

TYPICAL DUTIES:

Percentage	Job Description
Essential (E)/Marginal (M) ¹	

POSITION DUTY STATEMENT

PM-0924 (REV 02/2021)

30%	E	Supervises technical staff in the performance of field survey work of all types including Construction, Project Development, Maintenance, and Right of Way (R/W) Surveys. ¹ESSENTIAL FUNCTIONS are the core duties of the position that cannot be reassigned.

MARGINAL FUNCTIONS are the minor tasks of the position that can be assigned to others.

SUPERVISION OR GUIDANCE EXERCISED OVER OTHERS

Supervises a field crew of two to four surveying/engineering staff.

KNOWLEDGE, ABILITIES, AND ANALYTICAL REQUIREMENTS

Must be knowledgeable of California State Law and acceptable methods of the surveying profession as they apply to field survey work of all types including but not limited to Construction, Project Development, Maintenance, and Right of Way. Must have a good knowledge of survey equipment; possess a strong math background, and a thorough knowledge of survey problems and solutions. Must be able to read and interpret construction plans. The following are knowledge, abilities, and analytical requirements necessary for this position:

- Directs the proper use, care, and storage of various precise surveying instruments.
Implements methods used in the practice of precise surveying as described in the Caltrans Surveys Manual.
- Implements current Safety procedures as described in the Code of Safe Surveying Practices and the Caltrans Illness and Injury Prevention Program.
- Supervises the operation of the departmental data collection system.
- Supervises the research, verification, and adjustment of survey data.
- Possess an in-depth knowledge and understanding of professional boundary location and determination as they relate to the practice of Land Surveying as defined in the Land Surveyor's Act and the Subdivision Map Act.
- Direct a survey crew in fulfilling the State of California's responsibility to perpetuate and monument existing facilities as defined in the Land Surveyors' Act and the Subdivision Map Act.
- Interpret preliminary design requests and construction plans.
- Recognize and report any possible hazards or safety violations that may adversely affect property, employees or the general public.
- Recognize and implement the principles of effective communication, personnel management and supervision.
- Recognize the supervisor's responsibility for promoting equal opportunity in employee hiring, development, and promotion.
- Recognize the supervisor's responsibility for maintaining a work environment that is free of discrimination and harassment.

RESPONSIBILITY FOR DECISIONS AND CONSEQUENCES OF ERROR

Responsible for directing and supervising a survey crew in accurately setting, collecting, describing, calculating, and recovering both survey monuments and topographic features in a field setting. Other TS-PC responsibilities include the completion of tasks in a timely manner, the identification and solution of unsafe conditions, incorrect data, or other problems and errors. The effects of poor decisions relating to any of these items could translate into additional delays, costs or claims against the State of

POSITION DUTY STATEMENTPM-0924 (REV 02/2021)

California.

PUBLIC AND INTERNAL CONTACTS

Internal contacts may be made throughout the Department at all levels and with all Divisions. External contacts may include those with other state agencies, local agencies, federal agencies, private surveyors, private citizens and consultant contractors. These contacts may be verbal or written, as needed to perform assignments.

PHYSICAL, MENTAL, AND EMOTIONAL REQUIREMENTS**Physical:**

Normal assignments are within the District, but can on occasion include temporary assignments statewide. Since the Land Surveying department delivers many different products, changes in work assignments are frequent and unpredictable. Since the Physical environment is directly linked to work assignments, any or all of the following conditions may be expected:

- Frequent, substantial or unexpected workload changes which can dictate rescheduling or reassigning of work as needed. This may require overtime and restriction of vacation as departmental workload dictates.
- Must travel, work, and live at or near remote work assignments for various lengths of time as projects require. Out of town assignments are described as locations outside a 50-mile radius from the District office.
- Must be able to work a ten-hour, daily schedule from 6:30 am to 5:00 pm. Weekly schedules are either a Monday through Thursday or Tuesday through Friday. There is the possibility of temporary schedule changes, including night work, as projects dictate.
- Requires operating a motor vehicle for prolonged periods of time while traveling to, from, and during work assignments.
- Must be able to transport survey equipment, hand tools and materials in an outdoor setting through various types of terrain, as needed, to complete the necessary task.
- Requires frequent bending, stooping and kneeling.
- Ability to exercise power grasping, repetitive motion and manual dexterity when using hand tools and survey equipment such as hammers, digging bars and shovels to perform routine tasks.
- Use of a pick, digging bar, shovel and the use of brush clearing tools.

Emotional:

- The position requires constant interaction with survey crew members and the supervisor. It is important for employees to be able to work with others to develop and maintain cooperative relationships.
- Must have the ability to handle irate public in a calm manner.
- Must deal effectively with pressure; maintain focus and intensity yet remain optimistic and persistent even under adverse conditions.
- Must behave in a fair and ethical manner toward others and demonstrate a sense of responsibility and commitment to public service.
- Must value cultural diversity and other individual differences in the workforce.
- Is open to change; adapts behavior and work methods when presented with new ideas, changing conditions or unexpected obstacles.

Mental:

- Must have the ability to multi-task, adapt to changes in priorities, and complete tasks or projects with short notice.
 - Must be able to maintain a sustained, mental alertness and concentration for prolonged periods of time while working around heavy equipment and under variable traffic conditions.
-

WORK ENVIRONMENT

Assignments are outdoors in various types of terrain and weather conditions and include exposure to dirt, noise and walking on uneven surfaces. Assignments are usually within close proximity to automobile traffic and heavy construction equipment.
