AGENCY OVERVIEW

The Governor's Office of Land Use and Climate Innovation (LCI) serves the Governor and his Cabinet as staff for long-range planning and research and constitutes the comprehensive state planning agency. LCI assists the Governor and the Administration in planning, research, policy development, and legislative analysis. LCI formulates long-range state goals and policies to address land use, climate change, population growth and distribution, urban expansion, infrastructure development, groundwater sustainability and drought response, and resource protection. LCI's budget programs include Enterprise Operations, State Planning and Policy Development, Strategic Growth Council, and Racial Equity Commission. LCI is a fast-paced, creative work environment that requires staff to have strong collaboration skills, an ability to quickly respond to changing policy needs, and a positive attitude. LCI is an organization committed to creating a work environment that celebrates diverse backgrounds, cultures, and personal experiences.

GENERAL STATEMENT

Under direction of the Planning and Land Use Manager, the Air Pollution Specialist (Climate Equity Planning and Policy Specialist) will be responsible for providing guidance and direction on matters related to climate and environmental justice, equitable and inclusive communities, safety from natural and manmade hazards, and community resilience. This position will work with government agencies, academics, community-based organizations, and other interested parties to effectuate planning and policy changes that center equity and create a resilient California for All.

The Land Use and Planning Team at LCI has several responsibilities, including:

- developing and maintaining technical guidelines and advisories on planning and land use topics;
- reviewing and analyzing proposed legislation on relevant topics;
- preparing legislative and policy proposals to assist with long-range planning and visioning;
- collaborating with academic institutions to undertake necessary research;
- conducting outreach to local and regional governments and community groups to inform our work.

KNOWLEDGE AND ABILITIES

Knowledge of: Climate equity, environmental justice, bioregional justice, land and community regeneration, carbon sequestration, climate science, safety from climate hazards, regenerative engagement.

Ability to: Coordinate internal and external meetings, work on policies and planning documents, review the work of others, inclusively engage with interested parties.

DUTY STATEMENT

DESIRABLE QUALIFICATIONS:

Other desirable qualifications include:

- Demonstrated expertise in state and local government programs and policies related to land use and planning, regional planning, sustainability, and climate change.
- Demonstrated knowledge and experience addressing and integrating equity considerations in the context of land use planning.
- Qualitative and quantitative research skills, including the ability to conduct key informant interviews, synthesize existing research, design data collection mechanisms, conduct literature review, and write reports.
- Experience analyzing or producing geospatial data.
- Excellent verbal and written communication skills and an ability to communicate to diverse audiences.
- Experience managing a deadline-driven, collaborative process with multiple partners.
- Excellent collaboration skills including experience facilitating consensus decision-making processes, navigating complex policy issues, and engaging a wide range of stakeholders.
- Ability to lead and inspire teamwork and collaboration by being accessible, supportive, and empathetic, and maintain constructive team relationships.
- Strong work ethic, detail oriented and organized.
- Collaborative, adaptable, and able to prioritize emergent and ongoing tasks.
- Good judgment and reasoning skills, including ability to navigate complex situations while considering a variety
 of factors including ethics, cultural differences, facts and assumptions, consequences and risks, and the needs
 of all parties.
- Proven commitment to creating a work environment that celebrates diverse backgrounds, cultures, and personal experiences.
- Ability and flexibility to travel and effectively participate in public workshops, and meetings up to 20% of the time.
- Occasionally will need to work on evenings, weekends, and holidays.
- Bilingual in English and one of California's most spoken languages (Spanish, Chinese, Tagalog, Vietnamese, and Korean)

SPECIAL PERSONAL REQUIREMENTS: Demonstrated ability to act independently, with open-mindedness, flexibility, and tact.

SPECIAL PHYSICAL CHARACTERISTICS: Persons appointed to this position must be reasonably expected to exert up to 10 lbs. of force occasionally and/or a negligible amount of force frequently or constantly to lift, carry, push, pull or otherwise move objects with or without reasonable accommodation. Involves sitting most of the time but may involve walking or standing for brief periods of time. This position may be eligible to participate in LCI's hybrid telework schedule. Participation in Telework is subject to LCI's guidelines. Occasional/overnight travel up to 20% may be required.

The statements contained in this duty statement reflect general details as necessary to describe the principal functions of this job. It should not be considered an all-inclusive listing of work requirements. Individuals may perform other duties as assigned, including work in other functional areas to cover absence of relief, to equalize peak work periods or otherwise balance the workload.
