Civio, Santee i Tobation and Vegetation Management Crew	911-010-0501	

As a valued member of the Caltrans leadership team, you make it possible for the Department to provide a safe and reliable transportation network that serves all people and respects the environment.

GENERAL STATEMENT:

Under the direction of a Caltrans Maintenance Area Superintendent, the Caltrans Maintenance Supervisor (CMS) supervises and directs a crew of maintenance personnel engaged in the maintenance of planted areas bordering freeways and highways. The incumbent plans, organizes, conducts and evaluates safety-training needs; develops work plans and crew schedules for an assigned area. A valid, unrestricted Class C driver's license is required while performing duties associated with maintaining the State Highway system; a valid, unrestricted Class A or B license is desirable to train crew members on commercial equipment. Incumbent is required to work overtime including nights and weekends, may be required to work temporary and/or intermittent varied work shifts, and is expected to respond to emergency calls. May be assigned to oversee employees not assigned to his/her crew. This position may require out-of-town travel, usually in week-long increments. This position is not represented under collective bargaining.

CORE COMPETENCIES:

As a CT Maintenance Supervisor, the incumbent is expected to become proficient in the following competencies as described below in order to successfully perform the essential functions of the job, while adhering to and promoting the Department's Mission, Vision, Values, Strategic Imperatives and Goals. Effective development of the identified Core Competencies fosters the advancement of the following Leadership Competencies: Change Commitment, Risk Appetite, Self-Development/Growth, Conflict Management, Relationship Building, Organizational Awareness, Communication, Strategic Perspective, and Results Driven.

- Managing Change: Demonstrating support for organizational changes needed to improve the department's effectiveness; supporting, initiating, sponsoring and implementing change. POSITION DUTY STATEMENT

DOT PM-0924 (REV 08/2024)

- Safety practices and traffic regulations, includes placing of detours and warning signs, accident and fire prevention techniques
- Supervisor's responsibilities for promoting equal opportunity in hiring, employee development and promotion, and for maintaining a work environment free of discrimination and harassment
- Basic occupational safety and health regulations; departmental safety and health policies and procedures; a basic knowledge of safe work practices; a supervisor's role in maintaining an effective Injury and Illness Prevention Program.
- Computer application such as Microsoft (MS) Word, Outlook, Excel and Integrated Maintenance Management System (IMMS)

Ability to:

- Plan, organize and direct the work of others
- Detect unsafe conditions and practices, and plan, organize, conduct and evaluate safety training programs
- Operate and care for landscape tools and equipment
- Assist in work related to the maintenance of planted areas along highways and freeways
- Read grade and slope stakes, and install culverts and rock retaining walls; interpret simple blueprints and sketches
- Prepare preliminary budget estimates and reports
- Keep records of employees' time and of materials and equipment used
- Analyze situations accurately and adopt an effective course of action
- Effectively promote equal opportunity in employment and maintain a work environment that is free of discrimination and harassment
- Communicate successfully with supervisors and subordinates, verbally and in writing

Analytical ability is required to plan, budget, determine equipment needs, and schedule the work of others. As a job is in progress, the incumbent must continually assess weather conditions, traffic, equipment performance, etc., and adjust the plan appropriately, including in emergencies when quick-thinking is essential.

RESPONSIBILITY FOR DECISIONS AND CONSEQUENCES OF ERROR

Errors in judgment and decisions can affect the safety of the crew and the public, result in the loss of landscaping or plants, equipment misuse, tort liability, employee grievances, injury or loss of life.

PUBLIC AND INTERNAL CONTACTS

Incumbent has occasional public contact by phone and in person and routine contact with region office staff and resident engineers, District Office personnel, including design staff. In emergency situations, the incumbent works closely with representatives of law enforcement agencies. It is necessary to achieve a professional, businesslike relationship with the public and fellow employees to have successful communications and a positive Departmental image.

PHYSICAL, MENTAL, AND EMOTIONAL REQUIREMENTS

Most work is done in close proximity to traffic and equipment; incumbent must hear at a level sufficient to hear warning shouts and backup bells. Incumbent must possess sufficient peripheral vision to be aware of changes in surroundings, and sufficient night vision to respond to callouts after-hours. The incumbent shall work with and oversee the crew, train subordinates, and respond to call-outs that require prolonged standing; bending, stooping, kneeling; loading/unloading materials.

Incumbent may sit for prolonged periods while reviewing area or traveling between jobsites. The incumbent has a pivotal role in maintaining the morale of the crew. The position requires the ability to develop and maintain cooperative working relationships; respond appropriately to difficult situations (irate citizens or employees); recognize and respond appropriately to emotionally charged issues or problems; respond calmly to unusual situations, keeping in mind at all times the safety of the crew and traveling public. The incumbent must make him/herself aware of potential hazards and all job components including but not limited to traffic control, each crew member's participation, quality of materials, changes in weather conditions, equipment performance, changing priorities (a spill, for example, at another location) and evaluate/compensate/adjust accordingly.

WORK ENVIRONMENT

Most (90%) of work is done outdoors. Weather conditions vary from a cold windy and wet winter climate to a very hot and dry summer climate. Incumbent may be exposed to environmental conditions such as dirt, exhaust fumes, noise, uneven surfaces, extremes of heat and cold, hot materials, chemicals, loud noises, steep, uneven, and/or unstable terrain, fast moving traffic, irritating plants and wild life. The incumbent is required to wear long pants and appropriate footwear in good condition and must wear the provided personal protective safety equipment including but not limited to: shirts or vests, hard hats, safety glasses, gloves, face shields, respirators, ear plugs, as well as other safety devices deemed necessary. The incumbent must travel extensively throughout the assigned area and may be required to travel and work in other areas in the District. Possession of a valid driver's license is required to operate a State owned or leased vehicle.
