CalPERS is the nation's largest public pension fund with investments in both domestic and international markets. The Investment Office (INVO) invests and manages CalPERS assets in an efficient and sustainable manner to generate risk-adjusted returns that meet CalPERS funding obligations. The portfolio invests in public equity, public fixed income, real estate, infrastructure, private equity, private debt and other opportunistic public and private assets. Private Debt (PD) is responsible for managing the strategic allocation of private debt, including but not limited to corporate direct lending, asset-based finance and real asset lending to provide an attractive risk-adjusted return through the premium driven by originating, underwriting, and structuring of private loans.

Under the general direction of the Deputy Chief Investment Officer (DCIO), Private Markets, the Managing Investment Director (MID) is responsible for PD investment portfolios and strategies and will collaborate with the DCIO and INVO Senior Leadership in supporting Total Fund investment decision making in a risk-aware manner. The MID will maintain a positive team management approach while demonstrating CalPERS' Core Values of Quality, Respect, Integrity, Openness, Accountability, and Balance in accordance with personal work ethic in alignment with CalPERS Investment Beliefs.

Essential Functions

Regular and consistent attendance in the office at least three days a week for teamwork, in-person collaboration, personal interactions with members, stakeholders, and other team members, cross-functional communications within CalPERS, and supervision of work. In-person collaboration is essential to promote and foster innovation, creativity, and complete engagement by the team. Coordinating work in person allows the teams to stay functional and aligned with the work of others. Being present in the office is essential to allow for immediate accessibility for discussions, questions, mentoring, or strategy sessions between team members.

35% *Portfolio Leadership:*

Onsite¹ and virtually, plan, organize, direct, monitor, and manage the implementation of PD investment strategies, external investment managers, portfolio risks, and take responsibility for the overall PD investment performance. Analyze and make investment

decisions to support CalPERS strategic and tactical asset allocation to public and private credit asset portfolios.

Execute commitment strategy in line with our Strategic Asset Allocation and approved deployment strategy. Monitor PD existing investments, including oversight of performance by portfolio, sub-strategy, and manager. Seek to maximize risk-adjusted return with prudent levels of risk. Formulate and implement PD investment strategy and actively seek new innovative credit investment strategies, including evaluating evolving private credit market.
