---

### PUBLIC AND INTERNAL CONTACTS

Required to maintain good relations with members of the public and employees from the same and other departments within Caltrans, as well as other agencies. May have contact with other public agencies and private individuals almost daily in the course of assignment. Contact may be with hostile public, and employee is expected to maintain a favorable public image for the state.

---

### PHYSICAL, MENTAL, AND EMOTIONAL REQUIREMENTS

Employee must be able to follow supervisor's instructions; refrain from insubordination; get along with supervisors, peers and subordinates; avoid violent behavior; understand and follow Caltrans policies; and avoid disruptive or harassing behavior.

Much of this position is labor intensive. Incumbent must have physical ability to react quickly to errant motorist(s) and perform strenuous hand and mechanical labor.

Importance of hearing and seeing: both are essential on the job because the worker must hear directions, equipment, and errant motorists, and must see in order to perform his/her duty safely.

Hearing should be adequate to hear warning devices used for worker safety such as look out alarm devices, including vehicle horns used to warn employees of imminent danger at the work site. Corrected hearing is acceptable. Hearing protection must be worn at all times around the vactor and other loud machinery that emits high levels of audio decibels. There may be hearing testing on an annual basis.

Sight needs to be corrected to the State of California Department of Motor Vehicles standards for safe vehicle driving. Night vision must be at least adequate for safety when working after dark.

Most duties require prolonged standing, especially flagging. Digging, shoveling, litter removal, crack sealing require prolonged standing with stooping. Loading/unloading materials involves moving sacks (weight to 50-pounds), or may be done by the shovelful from a stockpile. If assigned to assist with guardrail replacement, incumbent and partner will move a guardrail section (50-75 pounds), typically 50 feet from truck to work area. Work is often done over uneven terrain.

From time to time, incumbent will perform repetitive tasks. Even in these circumstances, paying close attention to traffic and equipment is imperative.

Required to work overtime, nights and weekends due to storms, emergencies, or special work projects, as determined by the Supervisor or Department.

This is a designated travel crew and works out of town on a per diem basis up to 80% of the year.

---

### WORK ENVIRONMENT

Required to work in a wide range of sometimes extreme conditions, including heat up to 120 degrees, cold to -15 degrees, strong winds, rain, sleet, and snow.

During the winter months the workweek is normally 5/8-hour days. During the summer months the workweeks may be changed to 4/10-hour days. The scheduling of the 5/8 days or the 4/10 days is at the discretion of the District Management and pursuant to operational needs. Incumbent may be scheduled to work the night shift during the months of December, January, February, and March or as scheduled by the Maintenance Supervisor.

Required to work overtime, nights and weekends due to storms, emergencies, or special work projects, as determined by the Supervisor or Department.

Personal safety requirements include:

- A. Work boots, in good and sturdy condition, must be worn to provide foot and ankle support protection.
  - B. Either long or short sleeved shirts provided by Caltrans, or a safety vest is to be worn over non-safety shirts or coats.
  - C. Long pants. No shorts or cutoffs.
  - D. Provided safety gear; hard hat, safety glasses; hearing protection devices, face shields, gloves, respirator, chaps, and/or other
-
