March 15, 2018

June 15, 2018

September 17, 2018

December 17, 2018

March 15, 2019

SALARY

\$6,168 - \$8,143 per month

MULTI-DEPARTMENTAL EXAMINATION

This examination is administered as a multi-departmental examination for the Department of Public Health and Department of Health Care Services. Positions exist **statewide**.

EQUAL EMPLOYMENT OPPORTUNITY

The State of California is an equal opportunity employer to all, regardless of age, ancestry, color, disability (mental and physical), exercising the right to family care and medical leave, gender, gender expression, gender identity, genetic information, marital status, medical condition, military or veteran status, national origin, political affiliation, race, religious creed, sex (includes pregnancy, childbirth, breastfeeding and related medical conditions), and sexual orientation.

WHO CAN APPLY

Persons who meet the minimum qualifications as stated on this announcement may take this competitive examination.

MINIMUM QUALIFICATIONS

All classes in this series require possession of an active valid license as a registered nurse in California. (Applicants who do not meet this requirement will be admitted to the examination, but they must secure the required license before they will be considered eligible for appointment.)

AND

All classes in this series require a baccalaureate or higher degree in nursing from a school of nursing accredited by the National League for Nursing (NLN) or its equivalent for foreign graduates. (For applicants who received a baccalaureate degree in a health-related field prior to 1990, the California State Public Health Nurse Certificate may be substituted for the baccalaureate in nursing (BSN), thereafter the baccalaureate or higher degree must be in nursing from a school of nursing accredited by the NLN or its equivalent for foreign graduates.)

* The National League for Nursing (NLN) has changed. Effective May 6, 2013, the [Accreditation Commission for Education in Nursing](#) (ACEN) conducts accreditation activities of nursing education programs and schools in the United States and its territories.

AND

All classes in this series require possession of a master's degree in a health-related field such as: nursing, public health, health care services, health care administration, or hospital administration. All degrees must be from an institution approved by the Council for Private Postsecondary and Vocational Education under the provisions of California Education Code Chapter 3, Part 59, Division 10.

*The Council for Private Postsecondary and Vocational Education has changed. It is now the [Bureau for Private Postsecondary Education](#).

AND

Either One

Two years of experience performing the duties of a Nurse Consultant I in the California state service.

Or Two

Four years of professional registered nursing experience at least two years of which shall have been in an administrative, consultative, teaching, or supervisory capacity. (One additional year of graduate work in group dynamics, interpersonal relations, or other courses relating to the consultative process in nursing, may be substituted for one year of the required general nursing experience.)

NOTE: If qualifying under Pattern II, applications/resumes must include a detailed description of duties serving in position(s) in an administrative, consultative, teaching, or supervisory capacity in your professional registered nursing experience. Any additional attached pages must be signed and dated by applicant certifying statements made are true and complete. Applications/resumes received without this information could be rejected.

NOTE: Applicants who already possess the license must show the license numbers, titles, and expiration dates on the application.

GENERAL QUALIFICATIONS

All candidates for, appointees to, and employees in the state civil service shall possess the general qualifications of integrity, honesty, sobriety, dependability, industry, thoroughness, accuracy, good judgment, initiative, resourcefulness, courtesy, ability to work cooperatively with others, willingness and ability to assume the responsibilities and to conform to the conditions of work characteristic of the employment, and a state of health consistent with the ability to perform the assigned duties of the class.

POSITION DESCRIPTION

TYPICAL TASKS

The Nurse Consultant II, under general direction, provides complex nursing and program consultation and technical assistance to public and private agencies on the provision of health services; plans, develops, administers, organizes, monitors, and evaluates programs and studies on the delivery of health services; may also serve in a lead capacity to Nurse Consultants and other health-related multidisciplinary staff; develops and evaluates program standards, policies, and procedures; and does other related work.
